

Multiple City Taxes

Those who process payroll understand the headaches from the filing requirements for Ohio employees. Simplify the process by utilizing the Multiple City Tax (MCT) add-on from **Alternative Business Systems, LLC**. The MCT add-on works great for any organization that has employees at job sites or simply on the road. MCT automates the reciprocal tax calculations required for local tax filing. It also handles the unique requirements for school district tax processing. It's a contractor's best tool! Your TRAVERSE system gives your organization a vast competitive advantage: efficiency, accuracy and cost savings.
